March 24, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Los Alamitos in fiscal year 2024.

The entity to receive funding for this project is City of Los Alamitos, located at 3191 Katella Avenue, Los Alamitos, CA 90720 Los Alamitos, CA, 90720

The funding would be used for constructing & implementing infrastructure to make it safer for students, families, and visitors of Los Alamitos.

The project is an appropriate use of taxpayer funds because the area experiences a high volume of traffic and is one of the city's primary thoroughfares. Bloomfield Avenue connects single family and multi-family residential to activity centers such as two schools (Los Alamitos Elementary School and McAuliffe Middle School), two parks (Laurel Park and Little Cottonwood Park, the Los Alamitos Unified School District Offices, the Los Alamitos Medical Center, and several businesses. Analysis during the Active Transportation Plan identified Bloomfield Avenue as a major safety concern for pedestrians and bicyclists. The Bloomfield Project will address infrastructure changes to enhance safety for all who travel the corridor.

The project has a Federal nexus because the funding provided is for purposes authorized by United States Code (U.S.C.) Title 23 which provides surface transportation block grants.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michelle Steel
Member of Congress
